NORTH KOREA HAS TEST FIRED MISSILES JUST DAYS BEFORE PRESIDENT DONALD TRUMP'S VISIT TO SOUTH KOREA. THE LAUNCH HAS RAISED FRESH CONCERNS OVER REGIONAL SECURITY AND INTERNATIONAL TENSIONS.

[TAKE VO]

{*** VO ***}

EARLY WEDNESDAY, NORTH KOREA FIRED MULTIPLE SHORT-RANGE BALLISTIC MISSILES, TRAVELING ABOUT 350 KILOMETERS BEFORE LANDING INLAND. THE TIMING, COINCIDING WITH PREPARATIONS FOR TRUMP'S VISIT AND THE UPCOMING APEC SUMMIT, HAS DRAWN CONDEMNATION FROM THE UNITED STATES AND GLOBAL LEADERS, WHO WARN THE TEST UNDERMINES STABILITY IN THE REGION. IN OTHER NEWS, HURRICANE MELISSA HAS BEEN LISTED AS A CATEGORY 5. HERES SARAH ALLI BROWN WITH A BRIEF UPDATE.
