THANKS, JAZZMIN! YOU'RE ABSOLUTELY RIGHT — TALLAHASSEE HAS SEEN A LOT OF NEW PROJECTS, BUT THIS ONE IS MAKING SOME NOISE. RIGHT HERE ON LAKE BRADFORD, A NEW FIRE STATION IS SET TO BE BUILT. ACCORDING TO THE CITY'S AGENDA, IT'LL BE RIGHT BEHIND ME, THE FORMER WASTEWATER TREATMENT FACILITY. DESIGN PLANS ARE COMPLETE, AND CONSTRUCTION IS EXPECTED TO BEGIN SOON AND WRAP UP BY OCTOBER 2026. NOW BACK TO THE DESK.
